Meet The Chef

Stefen Huskinson

Stefen has a love for food that's generations old. His great-grandfather was an Executive Chef and owned his own restaurant. His grandmother, having years in hospitality, treated guests as family and took care of them in the most loving and caring way.

This love for food and hospitality inspired Stefen to share that kind

of intimate experience with people through food. Having worked with chefs from all across Utah, Stefen soon developed his own food philosophies. The first philosophy is in using fresh ingredients, which are alive with flavor and two, don't plan an event, be the event.

Meet The Baker

Jazmin Huskinson

When Jazmin was a toddler, at the tender age of three, her mother had her helping and baking in the kitchen. As a young adult, Jazmin decided baking was her dream and never looked back.

Working in the industry, Jazmin has learned recipes and the art of baking. She studied at Auguste Escoffier School Of Culinary Arts

and graduated top of her class. Jazmin having accomplished many life goals, now working with her husband, Stefen, bringing Wooden Horse Catering to life, has fulfilled her biggest professional goal and dream, to be a baker of cakes and pastries.
